

Letter No. 105

Department of the Interior
District of Alaska
Office of the Executive

Sitka, Alaska,
March 11, 1902.

Mr. Richard T. Harris,
Juneau, Alaska

My dear Sir:

I received yours of the 3d inst. by last mail. Lieut. Jarvis has not yet arrived but when he does I shall sound him on all those matters. I shall do the best that I can for you. I shall urge that he appoint Alaskans to all places when he makes any changes and not ship in any more foreigners. For the most part they are not at all interested in the District and are ready to leave on the next boat after they get out of office.

Collector Jarvis will act with deliberation in all these matters.

Respectfully yours,
John G. Brady
Governor of Alaska.
