

Letter No. 20

Department of the Interior Bureau of Education  
General Agent of Education of Alaska

Sitka, Alaska, June 12th, 1885.

R.T.Harris esq.  
Harrisburg, Alaska

Dear Sir

Yours of the 10th is received. Much obliged for the information. I will write Mr. Willard concerning Mr. Church's house.

I understand that the Judge goes to Harrisburg by the Mail Steamer and will leave word for the Rose to come after him. If so I will come upon the Rose and spend two days.

Mr. Frank has beat Haskett out in court on everything. The injunction on the Mission is dissolved. The indictment case concerning letter to Grand Jury has been thrown out of court and the other indictments will be when reached.

Truly yours,

Sheldon Jackson
