

Letter No. 215

Dear Maggie (Pilz)

Yours just on hand & very thankful. Please tell Mr. Hayes sure not to pay Whaley a cent. I hope that the Doc & Greathouse will carry it out. I am just writing to Alaska, so to send it by Str. tomorrow. Please write a note yourself to R. Harris and Jno Olds and ask them yourself to do all they can to hold your Pilz 2nd. Please let me know any news by messenger.

Of course if my trial don't come off for a week or 10 days I will have my money from home to settle with Brandt & please don't hesitate to take part of Hayes to pay your and Will's expense till I get out. Hayes told me that Harris wanted him to help me all that was needed,

So don't hesitate to take \$50.00 of Hayes for yourself. I am sure I will get 3 to 500 from home, as I wrote to mother & brother both.

I would like to get out of this hole you may depend.

Give Hayes my regards and tell him not to pay Whaley a cent.

Yours as ever loving and hoping,

George (Pilz)
