

Letter No. 27

San Francisco Dec. 4th 85

R.T. Harris

Dear Sir

My husband showed me the letter sent to him by yourself and Wm. Olds also the subscription list for which please accept my sincerest thanks, I hope before another week to have Geo out of his present difficulty. As regards to Wm. Schmeig he always was the best and truest friend my husband had & I never can think of him in any other light. As regards the Pilz 2nd please do all you can to save it for me & I will not forget it, I hope to be in Alaska before many months myself.

I sincerely hope you will win in your mining suit.

With best wishes

Very respectfully

Marian Pilz

Please excuse pencil as I am not at home.
