Agency function

The Office of Institutional Effectiveness, Engagement, and Academic Support provides direction for faculty development, supports programs to improve teaching and learning, provides data and analysis of UAA's performance, fosters service learning and community engagement activities, and helps to clarify and demonstrate UAA's value in the wider community. The Office provides oversight for the Office of Institutional Research, the Center for Community Engagement & Learning, the Center for Advancing Faculty Excellence, and Academic Innovations and eLearning.

Series description

This series consists of CDs and VHS tapes containing promotional and other video created by the Office of Institutional Effectiveness, Engagement, and Academic Support, or other offices under its oversight.

Arrangement

Collection materials are arranged by format and chronologically therein.

Custodial history

The Office of Institutional Effectiveness, Engagement, and Academic Support transferred the materials to the Archives in 2015.
