Series description

This handbook contains a summary of university procedures, policies and regulations of interest to faculty members. Topics include appointment, review, tenure, promotion, sabbatical leave, and human and animal research. The handbooks also often contain a yearly schedule of deadlines pertaining to faculty documents.

Retention

As an official publication of the University of Alaska Anchorage, this series will be retained permanently. The Archives will retain a single copy of this publication for each issue.

Arrangement

This series is arranged chronologically by date of issue.

Processing information

This series was arranged and described by Arlene Schmuland in December 2007.

Series creation dates

The first faculty handbook was published in 1981.

Holdings

The Archives holds no copies of this volume more recent than 1998.
