Series creation dates

The first issue was published in Spring of 1987.

Processing information

This series was described by Arlene Schmuland in 2009.

Arrangement

These handbooks are arranged chronologically by date of issue.

Series description

This series consists of handbooks produced for the use of adjunct faculty at the University of Alaska Anchorage. The handbook includes information about the University system statewide, an academic calenard, various offices on campus and the support services they provide, and administrative information.

Retention

As an official publication of the University of Alaska Anchorage, this series will be retained permanently. The Archives will retain a single copy of this publication for each issue.
