Processing information

This series was described by Arlene Schmuland in 2009.

Arrangement

These reports are arranged chronologically by date of issue.

Series description

This series consists of reports documenting the results of student surveys. The survey questions included topics such as educational objectives, evaluation of university services, and demographic information on the students themselves. Some reports pertain to individual UAA colleges as well as community campuses.

Retention

As an official publication of the University of Alaska Anchorage, this series will be retained permanently. The Archives will retain a single copy of this publication for each issue.
